Declaration: Release of use MAFI mounting system

Herewith *SONNENKRAFT Energy GmbH, Solarstraße 1 in 9300 Sankt* declares that the below listed components can be used for installation of KIOTO solar modules. The mounting instructions and mounting matrix of SONNENKRAFT Energy (in the actual version at date of issuing this declaration) are valid - with exception of the clamping area - which is lower when using MAFI systems. Compatibility and mechanical stability checked during mechanical load tests (performed at SONNENKRAFT). Load values identically as stated in the mounting matrix.

- MAFI Multiklammer (Article no. 91230)
- MAFI Solarschiene2.0 (Article no. 913321)

With sunny regards,

General terms and conditions of SONNENKRAFT Energy GmbH are valid.
